

**CLIVE REPOSITORY AGREEMENT
AMENDMENT NUMBER THREE
TOOELE COUNTY AND ENERGY SOLUTIONS, LLC**

SECTION I - CONTRACTING PARTIES: This amendment made and entered into this 16 day of June, 2009, is by and between Tooele County, a body politic and corporate of the State of Utah (hereinafter referred to as "County"), and EnergySolutions, LLC, a Utah limited liability company (hereinafter referred to as "EnergySolutions"), the successor-in-interest to Envirocare of Utah, Inc. ((hereinafter referred to as "Envirocare"), which was the successor-in-interest to S. K. Hart Engineering.

SECTION II - PURPOSE: This agreement is for the purpose of amending the terms of the agreement entitled "Offer and Agreement to Acquire Property" entered into between the County and S. K. Hart Engineering on the 9th day of July 1987, and all subsequent amendments to this agreement. Said agreement has since been assigned to Envirocare on or about the 4th day of October, 1988. In 2005, EnergySolutions purchased all outstanding stock of Envirocare and, therefore, is the successor-in-interest for all contracts held by Envirocare. Because of the foregoing, it is necessary that the parties amend the agreement to reflect the current parties and the current information for notices.
