**11. Representations and Warranties.**

a. Seller's Representations and Warranties. Seller makes the following representations, warranties, covenants, and guarantees for the benefit of Buyer and Buyer's affiliates and their respective successors and assigns:

i. Seller has obtained all necessary approvals, authorizations, and consents in connection with the Seller's execution of, and obligations under, this Agreement. The Seller's execution of, and performance under, this Agreement and the sale, transfer, conveyance, and assignments effected by this Agreement do not require the consent of any third party.

ii. Except to the extent the UMC Management Agreement is considered a lease, sublease, or occupancy agreement, Seller has not entered into any lease, sublease, tenancy, or occupancy agreement pertaining to or affecting the use or occupancy of the Property that remains in effect, and no person has or has asserted any right of use or possession to the Property or any portion of the Property against Seller.

iii. To Seller's knowledge, no hazardous substances, hazardous wastes, pollutants, or contaminants are or have at any time been used, deposited, stored, disposed of, placed, or otherwise located in or on, or released from, the Property or any facility operated on the Property in violation of applicable laws. Seller has received no notice, and is not aware that any notice to any other person has been given, of any violation or claimed violation of any law, ordinance, rule, or regulation relating to hazardous substances, hazardous wastes, pollutants, or contaminants. To Seller's knowledge, neither it nor the Property is in violation of any such law, ordinance, rule, or regulation. To Seller's knowledge, none of the Improvements was constructed with

or presently contains any asbestos or asbestos-related insulation or other construction material, polychlorinated biphenyl (PCB), or urea formaldehyde.

iv. Seller is a political subdivision of the State of Utah, duly organized, validly existing, and in good standing under state law, and has been duly and validly authorized to enter into this Agreement and to sell and convey the Property to Buyer under the provisions of this Agreement. All requisite governmental, county, and/or public action (whether public notice, public hearing, or otherwise) has been taken to ensure that this Agreement is valid and binding on Seller.

v. No suit, action, or arbitration, bond issuance or proposal for bond issuance, proposal for public improvement assessment, pay-back agreement, paving agreement, road expansion or improvement agreement, utility moratorium, use moratorium, improvement moratorium, zoning or land use proceeding, or legal, administrative, or other proceeding, formal or informal, is existing, pending, or threatened that adversely affects the Property or Seller's ability to perform under this Agreement that has not been disclosed to Buyer in writing prior to the date of this Agreement. Except as otherwise disclosed to Buyer in writing, no suit, action, arbitration, or other proceeding affecting or involving UMC exists.

vi. Seller is the sole owner and is in exclusive possession of the Property. Seller hereby conveys to Buyer all of Seller's right, title, and interest in and to the Property. Seller hereby conveys good, marketable, indefeasible, and insurable title to the Land and all of Seller's right, title, and interest in the Personalty listed on **Exhibit B** free and clear of all liens, encumbrances, security interests, leases, subleases, tenancies, covenants, conditions, restrictions, rights-of-way, easements, judgments, encroachments, and other matters affecting title. Seller does not own or hold any water rights or water stock shares, whether certificated or uncertificated, related to or used in connection with the Realty. Notwithstanding the foregoing, Seller does not warrant title to any of the items, improvements, or property listed on **Exhibit B**.

vii. No delinquent tax, assessment, or bond of any nature affecting the Property exists. There are no real or personal property taxes or assessments that are a lien on the Property. No proceeding is pending for the reduction or increase of the assessed valuation of any portion of the Property.

viii. Amounts due for all work done and materials furnished to the Property at the request of Seller, including those which might in any circumstances give rise to a mechanic's, materialman's, or laborer's lien, have been paid in full, all necessary waivers of rights to a mechanic's, materialman's, or laborer's lien have been obtained, and no basis exists for the filing of any such lien against the Property.

ix. Seller maintains casualty insurance and liability insurance in force with respect to the racetrack on the Property. No claim has been made to date under such policies, except as may be set forth in writing and delivered to Buyer. Seller has paid all

premiums due under such policies. Seller has not received any notice of cancellation of any of such policies. Seller has received no notice from any insurance carrier, nor is Seller aware, of defects or inadequacies in the racetrack on the Property that if not corrected would result in the termination of insurance coverage or an increase in insurance costs. UMC otherwise maintains insurance on the Property as required by the UMC Management Agreement.

x. To Seller's knowledge, the ownership, operation, and use of the Property are in compliance with and do not violate any applicable federal state, municipal, or county law, statute, ordinance, rule, or regulation.

xi. No commitments relating to the Realty have been made to any governmental authority, utility company, school board, church or other religious body, homeowners or homeowners' association, or other organization, group, or individual that would impose an obligation on Buyer or Buyer's successors or assigns to make, or which would establish as a condition to development or subdivision of any part of the Realty the making, contribution, or dedication of money or land or any improvements of a public or private nature on or off the Realty.

xii. Seller is not a party to any pending suit or proceeding by or before any tribunal (whether judicial, administrative, or otherwise) that could have an adverse effect on the use or operation of the Property, Seller's performance of Seller's obligations under this Agreement, or the transactions contemplated under this Agreement, nor, to the best of Seller's knowledge, are any claims or actions threatened that may become the subject of litigation that might have a similar adverse effect other than as heretofore disclosed to Buyer. No action, suit, or proceeding is pending, contemplated, or threatened by Seller in connection with the Property (including, without limitation, tax reduction proceedings).

xiii. No adverse or unpaid judgment is outstanding against Seller relating to the Property or the operation of the Property that might affect the ability of Seller to perform Seller's obligations under this Agreement.

xiv. Seller is not in violation of, and the execution by Seller of this Agreement and the performance by Seller of Seller's obligations under this Agreement will not violate, any judicial order or governmental law, ordinance, rule, or regulation in any respect that could have an adverse effect on the validity, performance, or enforceability of this Agreement, any document referred to in or contemplated by this Agreement, or the present use and operation of the Realty.

xv. No management agreement, landscaping or maintenance agreement, security agreement, assignment, ground lease, easement, employment agreement, licensing agreement, insurance policy, employee welfare plan, labor agreement, or other contract or agreement exists, whether oral or written, with Seller affecting or relating to the Property, other than as set forth in or disclosed by this Agreement.

xvi. Seller is not in default, and has performed or satisfied all conditions or obligations to be performed by Seller, under all agreements and documents relating to or affecting the Property, including, without limitation, the UMC Management Agreement, and no event has occurred that, with or without the giving of notice or the passage of time or both, would constitute a default by any party under any of such agreements or documents. The provisions of this Agreement neither conflict with nor will result in the breach of any of the provisions of, or constitute a default under, any of such agreements and documents or any agreement, indenture, instrument, or undertaking to which Seller is a party or by which Seller is bound, including, without limitation, all items potentially affecting transferability of the Property or an interest in the Property, including such items as due on sale clauses, rights of first refusal, transfer restrictions, and all similar items. No option agreement, right of first refusal, or other similar agreement relating to the Property exists. Seller has not committed or obligated itself to sell the Property to any person other than Buyer.

xvii. No pending condemnation, environmental, zoning, or other land use regulation proceeding relating to or affecting the Realty exists, and Seller has no knowledge that any such action is presently threatened or contemplated.

xviii. No representation or warranty in this Agreement or in any document, statement, certificate, or schedule furnished or to be furnished by Seller, whether written or oral, in connection with the transactions set forth in this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary to make the statements contained in this Agreement or in any such document, statement, certificate, or schedule not misleading.

b. Buyer's Representations and Warranties. Buyer makes the following representations, warranties, covenants, and guarantees for the benefit of Seller and its respective successors and assigns:

i. Buyer is a limited purpose local government entity duly organized as a community reinvestment agency, validly existing, and in good standing under the laws of the State of Utah, and has been duly and validly authorized to enter into this Agreement and to purchase the Property from Seller according to the provisions of this Agreement. The person or persons executing and delivering this Agreement on behalf of Buyer have been duly authorized to execute and deliver this Agreement and to take such other actions as may be necessary or appropriate to consummate the transactions contained in this Agreement. All requisite agency action has been taken to make this Agreement and all documents to be delivered by Buyer valid and binding on Buyer.

ii. Buyer is not a party to any pending suit or proceeding by or before any tribunal (whether judicial, administrative, or otherwise) that could have an adverse effect on Buyer's performance of Buyer's obligations under this Agreement or the transactions contemplated under this Agreement, nor to the best of Buyer's knowledge are any

claims or actions threatened that may become the subject of litigation that might have a similar adverse effect that have not been disclosed.

iii. No adverse or unpaid judgment is outstanding against Buyer that might affect the ability of Buyer to perform Buyer's obligations under this Agreement.

iv. Neither the provisions of this Agreement nor of any document executed in connection with it exceed, conflict with, will result in the breach of any of the provisions of, or constitute a default under, the statutory scope of Buyer's authority, implementing legislation, or any agreement, indenture, instrument, or undertaking to which Buyer is a party or by which Buyer is bound.

v. No representation or warranty in this Agreement or in any document, statement, certificate, or schedule furnished or to be furnished by Buyer, whether written or oral, in connection with the transactions set forth in this Agreement, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary to make the statements contained in this Agreement or in any such document, statement, certificate, or schedule not misleading.

c. Certain Approvals. Buyer approves and accepts, and waives any objection to, the condition of the Property and the Building Documents.

d. Nature of Representations and Warranties. Seller and Buyer covenant that the representations, warranties, covenants and guarantees set forth herein are true as of the date each executes this Agreement. Each has entered into this Agreement on the condition that the other makes such representations, warranties, covenants, and guarantees, which were and are a material inducement to enter into this Agreement. Each would not have entered into this Agreement except in reliance on such representations, warranties, covenants, and guarantees. Seller and Buyer and their respective affiliates, successors, and assigns will be entitled to rely on and enforce such representations, warranties, covenants, and guarantees, notwithstanding any inspection and investigation made by such persons or any representative of such persons or any suspicion or knowledge to the contrary.

## **12. General Provisions.**

a. Time of Essence. Time is of the essence with respect to each provision of this Agreement. this Agreement. Each exhibit referred to in, and attached to, this Agreement is an integral part of this Agreement and is incorporated in this Agreement by this reference.

If the remaining provisions do not represent the Seller's and Buyer's original intent, they shall work in good faith to amend the Agreement to restore that intent.

i. Further Actions. Seller and Buyer shall execute such additional documents and take such further actions as may reasonably be required to carry out each of the provisions and the intent of this Agreement. From time to time Seller shall, on Buyer's request, furnish Buyer with access to and with copies of all books, records, documents, and information that Buyer may reasonably request that are within the possession or under the control of, available to, or obtainable by, Seller, and that relate to the Property.
